“ I'm REALLY excited about this month's team webinar!

I'll be sharing my research from 2 years of enrolling and creating promotions.

Promotions can be a great way to help those fence-sitters jump on board, but it has to be done correctly.

Too often I'll see people share specials online and all you hear are crickets. This is because it's ALL ABOUT THE WORDING & WAY you present it!

Also, I'm going to share how to offer promotions that are cheap or even FREE for you!
